

Sumit L. Desai, CFA

Senior Vice President

Director of Research | Wealth Management

312.595.8201

Sumit Desai is Senior Vice President and Director of Research in Mesirow Wealth Management. He serves on the Wealth Management Investment Committee and is responsible for due diligence and ongoing monitoring of equity, fixed income and global allocation funds for implementation into client portfolios.

Sumit has 20 years of investment industry experience. Prior to joining Mesirow in 2017, he spent 12 years at Morningstar, Inc., where he held senior analyst positions in the firm's mutual fund and equity research groups. His investment views have been regularly quoted in the Wall Street Journal, CNBC, Bloomberg and the Chicago Tribune, among other media outlets and publications.

Sumit earned a Bachelor of Arts in Finance and Economics from the University of Illinois at Urbana-Champaign. He is a Chartered Financial Analyst® and a member of the CFA Society Chicago.
